Meet the Maker: *Burgess* BAGPIPES LTD

This summer, Commander Richard invited Scott Burgess Hay from Burgess Bagpipes to Rickaton House to play for his guests from Clan Baird Society. Scott did a talk to the 'Baird tour' about bagpipes on the Thursday evening after fishing, which he is also an expert in and stayed on for the drinks party and the Games. At the Aboyne Games, he played the "Baird March" for all.

Burgess Bagpipes is a family business that designs and manufacture Scottish Smallpipes, Border Pipes, Great Highland Bagpipes, Piping Accessories and Bespoke items. We ship our hand crafted product all over the world.

Like most Highland Families our origins are a mix of clans and places. We are lucky in that we can trace our family tree back to the 1640s. The Hays originate from Highland Aberdeenshire, Glenbucket and Tomintoul. The McDougalls were cleared from Strathglass to the west coast marginal land of Sloch, Ardnish, Arisiag.

That is where our piping tradition started in the 1870's with Alexander (Sandy) McDougall. He later moved to Glen Tanar in 1903, where John McDougall Snr was born in 1907. John Senior was an accomplished piper and in 1936 his son, world champion piper John Alexander McDougall was born in Aberdeen.

About our Pipes

We make the best possible instruments, which means using the best materials, tools and techniques. With over thirty years design, manufacturing and business experience Burgess brings his knowledge and skill to turn raw materials into finished, working products.

Our instruments are very different to all the others in terms of look, sound and how they play. During the design process we concentrated on how they sound and play. How they feel in the hands and the ease and stability of the instrument.

We use the best materials, tool and manufacturing techniques to consistently make the best possible instruments. Using modern and advanced tooling and equipment we use to our advantage, the technology is not used to mass produce instruments but to control the dimensional parameters and the product quality. Our advanced gun and

spade drilling systems and short boring techniques ensures bore size and surface finish.

We make our own tools. This is another way in which we are able to control the manufacturing process is we make our own tools, including all fixtures and conical bore chanter reamers. This allows us to make small but crucial adjustments to designs during the prototyping and production process, and if a tool breaks we can produce a new one quickly.

Each instrument is made to order and is played by us for about a week until we are happy with the result.

CLAN BAIRD SOCIETY WORLDWIDE
PRESIDENT'S FORUM

I was on parade in the first week of July at the King's first Garden Party of his reign, at Holyrood, Edinburgh and had the honour of being inside St. Giles Cathedral the next day, for the Service of Thanksgiving (Scottish Coronation).

This was swiftly followed by the Baird Scottish tour, when we packed in a trip to Dunnottar Castle, the Houff of Ury (Baird burial mausoleum), the Auquhollie Ogham stone, the Dower Hotel at New Aberdour, salmon fishing on the River Dee, a drinks party at Rickarton House and culminating with the Aboyne Games.

Dr Jo Morrow, Lord Lyon attended the Games and visited our tent. We were also honoured to host Mark Dennis, retired Lyon Court Herald, for the day as well.

On the Society front, there are tentative plans for a visit to the USA next year and I am very please to announce that John Baird, Convenor of our New Zealand Affiliate is going to host a tent at the Waipu Highland Games on the 1st January 2024. I hope

Dear Members,

I have survived a very busy summer, not only with the Royal Company of Archers, but also the Bairds Worldwide descending on Scotland at the end of July.

The Bairds in Scotland

By Corinne Cox

During July and August 2023 tourists from Clan Baird USA visited New Aberdour and Auchmeddan (ancestral home of Clan Baird) and were blessed with fine weather. Some were given a guided tour of St Drostan's Auld Kirk and the Baird Aisle by Corinne and Phil Cox (Phil is a Beard descendant) and were given the opportunity to begin digging an archaeological test pit in the grounds of the old manse adjacent to the Auld kirk-yard, in which sherds of pottery dating from Roman, Medieval and 18th century were discovered.

Steve, Sherri and Brenda Walters also attended a special Sunday service in the church at Auchmeddan, built by the Bairds of Auchmeddan and were warmly welcomed by the congregation. Later they visited the Dower Hotel, the proposed Clan Baird Centre.

CLAN BAIRD SOCIETY CANADA

Hello Baird Cousins,

The Canadian branch of the society was very busy during 2023 and we have great plans for 2024.

The society was represented with clan tents at the Georgetown Highland games in Georgetown, Ontario on June 10th, the Cambridge (Ontario) Scottish Festival on July 15th, the Fergus (Ontario) Scottish Festival and Highland Games from August 11 through 13, and the Canmore (Alberta) Highland Games on September 2. While we did not have clan tents at the Cobourg or Embro Highland Games (Ontario) on June 17th and July 1st, nor the Calgary (Alberta) Highland Games on September 3, society president Cameron Curwood attended and chatted with the various clan representatives at each, reconnecting the Baird name and society with those there.

At Georgetown, we had good discussions with the Clans And Scottish Societies of Canada (CASSOC) group, and we decided to join them. We are listed on their website here: cassoc.ca with members listed here: cassoc.ca/members As you can see, being alphabetically first, the Bairds have a prominent position on that page.

Through the CASSOC group we had representation at the Moncton Highland Games in Moncton, New Brunswick on June 17, the Kincardine (Ontario) Scottish Festival on July 8th, the Glengarry Highland Games in Maxville, Ontario on August 4th and 5th, and the Montreal (Quebec) Highland Games on August 6th. Representatives of CASSOC reported that they had direct Baird interest at these events, referring people to the Baird display. Our specific information is located on their website here: scotscanada.ca

Clan Baird Society Canada Executive
L to R: Stephen Baird, Colin Baird, Cameron Curwood and Dave Radley

2023 saw the publication of our own Canadian website, which can be found here: clanbairdsociety.ca The Canadian committee give grateful thanks to Heather Snyder for her hard work in creating the site.

Lastly, in 2023, we began a collaboration with honey product producer Bairds and the Bees bairdsandthebees.ca and you can expect to see them at our clan tents in 2024.

While plans for 2024 are still ongoing, tentative clan tents are likely to be seen at:

June 8, 2024
Georgetown, Ontario
Highland Games

Mid July, 2024
Cambridge, Ontario
Scottish Festival

August 9-11
Fergus, Ontario Scottish Festival

August 31 to September 1
Canmore, Alberta
Highland Games

We are also in discussions to potentially have clan tents at the Glengarry Highland Games in Maxville, Ontario on August 2-3, and a to-be-determined games in Atlantic Canada. If anyone would like to volunteer to help us run a clan tent at any festival in Canada, please contact us at clanbairdcanada@gmail.com.

For Fergus, we are very excited in our hope to have relatives of television inventor John Logie Baird present, as well as a special display in anticipation of the John Logie Baird television centenary, in Scotland, celebrating 100 years since John Logie's first demonstration of a television.

LOSS OF OUR LEADERS

By Debra Baird

We lost two of our long-term and strongest leaders in October. James “Jim” David Baird of New York, and Robert “Bob” Lawrie Baird of Michigan left us within ten days of each other. They both guided me almost daily as I took over being President in 2016 and then navigated the path to requesting a Family Convention from The Lord Lyon, King of Arms, as well as prepared us for it and made sure it ran as smoothly as possible for everyone. No one was more surprised than I when 73 people came to the meeting at the University of Edinburgh, and 10 attended by ZOOM conference.

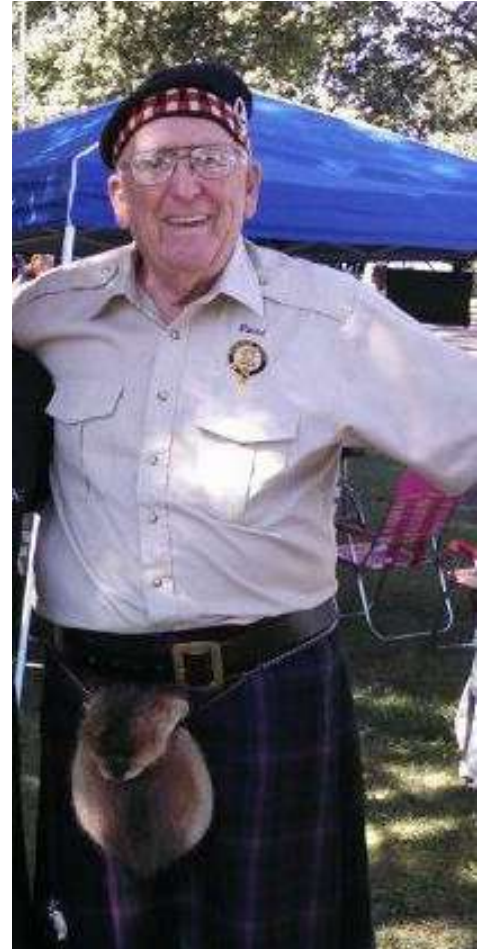

Robert “Bob” Baird

Bob and Jim were officers when I came onto the Board. Bob was secretary and Jim was President of the Society. They put up with my inexperience and naivety, guiding me along until Jim asked me if I would take over and allow him to step down to 1st Vice President. He never left me to face it all alone, giving advice and providing support/defense with his very wide network. In those days, defense was very important, as we were being attacked by those who would destroy the Society. Bob kept the membership list for me and dealt with all the work of new member packets. He taught me how that was done efficiently and with class.

When Bob and Jim invited me to the Board, we had only 150 families left on the roster, due to the people who tried to destroy the Society. Most of our members withdrew because they are not interested in turmoil and divisiveness in a group that is supposed to be positive, helpful with family search, and fun.

With Jim and Bob’s help, we now have over 900 families, and we are doing wonderful projects. They both called after our Commander Richard was named and were jubilant! Both called after we bought the Dower/Old Commercial Hotel and again were jubilant! The two most important goals they set in place so long ago were to begin to have our leader in Scotland named, and to build a home for us in Aberdeenshire, so that we too are a Clan with a place in Scotland, and a Clan whose base is Scotland.

I am so glad we had those goals accomplished when they left us. I am so sad that they have gone. I am going to miss

James “Jim” Baird

picking up the phone and being able to get the historical story on anything about the Society, as well as sound advice about how to move forward.

May we always have emerging leaders who have such integrity, character, honesty, and empathy as these two had. In that way, the Society can continue with our historic growth and good work, and always honor these men and all the others who built us.

FLOWERS OF THE FOREST

JAMES DAVID BAIRD
10/5/39 - 10/14/2023

A fond farewell to Jim Baird who left us on October 14, 2023. Jim was born on October 5, 1939 in Rochester, NY to James and Margaret (MacFadyen) Baird, both Scottish immigrants. Jim embraced and celebrated his Scottish heritage throughout his life.

Jim enjoyed a wide variety of interests. He taught himself the bagpipes as a young man and played over the years with the Syracuse Kilties and Fraser's Highlanders. He was a loyal attendee of the Syracuse Highland Games each summer and was active in the International Clan Baird Society, serving as its President. He was an avid motorcyclist, taking touring trips around New York State, New England and Nova Scotia. He published a book cataloging the lyrics of popular Irish folk songs, and built a replica 1952 MG roadster. The "MiGi" was enjoyed by young and old alike, especially his grandchildren. An avid burgundy wine connoisseur, Jim was an active member of the Syracuse Sous-Commanderie of The Confrérie des Chevaliers du Tastevin. He was also active in the community, holding Board

Chairmanships at Huntington Family Centers, Hospice of CNY and The United Way of CNY.

Jim started early as an enterprising businessman - as a paper boy, stock boy, soda jerk and bowling pin boy. In college, he was a short order cook (at a Chinese restaurant!). He graduated from Bryant College in 1961 and later received their Distinguished Alumni Award in 1986. His career as a manufacturing executive included the Finance Department of American Sterilizer in Erie, PA, Senior Vice President and General Manager of Lamson Division of

Diebold, Inc. in Syracuse, NY, and President and CEO of Advanced Terminals, Inc. in Mohawk, NY. His career culminated as President and Owner of JB Brady, Inc. in Syracuse.

After his retirement, he and Carol enjoyed spending winter months in Naples, FL and cultivated a wonderful group of close friends at Laurel Oaks.

Jim is survived by his children, Douglas Baird (Sarah) of New York, NY and Jeanne McDermott (Martin) of Syracuse, NY; and his grandchildren, David, Henry and Roxanna Baird. He is also survived by an extended family of Bairds, MacFadyens and Pascales; as well as a large circle of devoted friends and business associates.

ROBERT LAWRIE BAIRD
9/7/1937 - 10/3/2023
ANN ARBOR, MI

Robert (Bob) Lawrie Baird was born on September 7, 1937 in Oberlin, Ohio. He passed away in his home with family by his side on October 3rd, 2023. Long-time member, Board Member, and Society Historian has left us. His family moved to Ann Arbor in 1953 where he graduated from Ann Arbor High School ('55).

He then went on to proudly serve in the US Navy and was stationed in Japan for three years. While working full time and raising a family with his wife Mary, Bob attended night school for 14 years to earn a bachelor's and master's degree from Eastern Michigan University. He had a successful career as an accountant with Detroit Edison and also worked as an independent income tax preparer. Bob truly lived life to the fullest, making every moment count. He had a passion for work, travel, music, the arts, politics, UofM, woodworking, his Scottish heritage and his cats. He was constantly challenging himself to learn new things.

Bob is preceded in death by his parents, Lawrence Baird and Marian Sue Lowrie Baird; and three siblings James Baird, Susan Anderson Baird and Lawrence A. Baird. He is survived by his loving and devoted wife of 61 years, Mary Kochendorfer Baird; two daughters, Julie Baird Chudacoff (Matthew) and Katherine Baird Downing (David); and grandsons Jalen and Trae Chudacoff and Matthew and Ryan Downing; and his furry best friend Harley the cat.

CLAN GATHERINGS AND FESTIVALS

Central Florida Highland Games, Winter Park, FL January 14-15

Much to the surprise of Nate Boggs and Family, the weather, though sunny, was unseasonably cool. The chilly weather didn't stop the festival, as this festival is the largest in the State. Many Bairds were happy to see a Clan tent for us there again.

Southeast Florida Scottish Festival, Plantation FL March 14

While the rest of the country was in the grips of winter, Nate Boggs and Family were busy taking the trek through alligator alley to Plantation, Florida. There were many great pipe bands in attendance and our clan tent had a front row view for the main competitions. The

Florida heat was in high gear in southern Florida, just a few miles north of Miami. Nate brought his bagpipes and talked with folks about how the bagpipes work. The games yielded many, many Bairds and all had a wonderful day.

Dunedin Highland Games and Festival April 1

Nate had the opportunity to play bagpipes at this event. At this event they had a 5K that routed runners through Clan village, and Nate played the pipes to encourage the runners during the race. Afterward he was able to discuss the history of the bagpipes and engage with several attendees. Also, at this event Nate met several friends and we discussed starting our own Highland Games South of Tampa. After this "eureka moment" they put their plan into action by establishing the organization they are calling Suncoast Scots.

Grandfather Mountain North Carolina July 6-9

We enjoyed Grandfather Mountain this year, especially since our Board Member Penny Carpenter from Oregon was with us, as well as her brother Alan Baird Carpenter from Alaska. Grandfather was as unique and wonderful as it always is. Many thanks to Branton Baird, Alan and Penny, Alan's partner Linda Muggie, Matt and Jeannie Beard, and Brodie, for working the tent all weekend. The hospitality was excellent, due the efforts of these Bairds. We encourage everyone to do the Grandfather Mountain festival at least once in life. It is a bucket list event.

Richard welcomed several Bairds who attended for the first time, including Sir Andrew Baird of Newbyth (Sir Charles died in Australia earlier this year) and Douglas Baird, as well as Karen Baird Vierra and Roderick Baird. Of course, those who are always there and supporting our family,

Aboyne Festival Aboyne, Scotland August 5

We have an annual tent assigned at Aboyne, and our Commander Richard and family manned it once again as most excellent hosts. The festival was beautiful, the day nice and cool.

Ross and Doreen Baird, Isaac Baird and family, Laura and Jim Kerner, Dr. Cary Baird Fraser, Ailsa Kelly, and many, many more attended.

Middle Tennessee Hendersonville, TN September 9-10

Walter Baird V (Quint), his father Walter Baird IV (Chip) and Walter Baird VI (Beau) all worked the tent. Well Beau is less than 1-year-old, but he wore his kilt and was a part of the parade! The festival was well attended by Bairds, and we so appreciate Quint, Chip, their wives Angie and ?, Quint's sister Cassie, and all the family that helped with the tent. It was beautiful.

Rocket City Festival New Market, Alabama October 7

This was the first year Rocket City was held (yes, it was close to Huntsville). There were 27 clans, and we were proud to be one of the Charter Clan members there. The festival was so well organized, and my hat is off to all involved. It was the first northern Alabama Scottish festival in almost 10 years. Tennessee Valley Scottish Society was a main supporter, but the Rocket City Heavy Athletics Group sponsored the event.

Stone Mountain, Georgia October 21-22

The weather in October was fabulous, between 40 and 72 degrees, and the leaves were beautiful. Debra Baird and Kenneth Bell began the set-up on Friday. Our tent was so well set up, mainly by Bairds who passed by on Saturday morning and realized we needed help. Mandy Jarvis, her husband Daniel, and children Corbyn and Jillian pitched in as the wonderful Bairds they are, and all was done and shiny by 9:00 AM. Many thanks to them for all their help. Matt, Jeannie,

and Brodie Beard are now going to be the organizers for both Grandfather Mountain and Stone Mountain and we very much appreciate all they did this year and look forward to their being in charge in 2024.

Salado Festival, Salado, TX November 10-12

Phillip Baird is now the Texas state commissioner and set up a beautiful tent at Salado. Jerry Hallam came to the festival to help him with the tent, and they entertained several Bairds as well as other people who were interested in learning more about our Clan.

Phillip Baird with Ky Baird holding August, and Ashton Ward

Nate Boggs and friends will be hosting a Highland Games in Palmetto Florida, just south of Tampa, on February 10th, 2024, where Clan Baird will be the Honored Clan. Visit www.suncoastscots.com for more information.

Games Report from Heather Jensen

The Finger lake Celtic Festival in WNY on May 20th 2023. It was our first time setting up there, it is trying to regain itself back up, it fell apart after Covid, so it was a very small festival, and it rained the whole time. We hope in the years to come this event will get bigger again.

Batavia Celtic Faire in WNY held on June 10th and 11th 2023. This one was also our first year setting up there... this one was cool because it was set up in a middle of a museum, there was so much reenactments going on around us, plus

clan row and highland games... only thing we didn't like was everything was far apart so we didn't get to see everything.

The Jamestown Celtic Festival in WNY on August 26th 2023. We love it here, not many photos because we were so busy with so many families wanting to learn more about the history of Scotland and our clan. I think other than Niagara Celtic festival was by far one of the most active festivals this year. The stamp came very handy here as well, they had a passport for the kids to do to get a prize at the end.

Niagara Celtic Festival in WNY on September 16th and 17th 2023. We were the head clan tent this year, meaning we handed out stickers to the kids for their scavenger hunt (there was a sticker dot tent the kids had to look for to be able to get a prize for doing it, our tent was for clan row, then there was one in the food area, highland games tent, shopping area, and another place) so hand many families who entered our tent. We also had a basket raffle in our tent to help get NillyNoggins EEG caps for children and adults at our local hospital, in support of our son who has Epilepsy. We were able to get 14 new EEG caps for the hospital.

All of our festivals we met a few new Baird's or wonderful families who came back to support us in all of the festivals we attended. I can't believe we were able to do 4 festivals this year and still hoping to be able to do more... we were invited to do CNY Scottish Festival, but it landed on the same weekend as our kids 4h fair week and they show animals.
